Dear Mr Gzowski,

Your policy's renewed but you need to make a payment

Thank you for choosing Hastings Direct for another year's car insurance. To make sure you remain covered please set up a new Direct Debit.

What you need to do now

You can pay or set up a new Direct Debit online through [MyAccount](#), or by calling us on 0333 321 9790. If we don't hear from you by 25th August 2024 we'll cancel your policy and you could be left with a debt.

Here's what's included

- Certificate of insurance
- Schedule of insurance
- Schedule of payments

Your policy's based on these documents, so please check them and if you spot something that needs to change let us know straightaway.

We've also included your Default Notice

This is a legal document that explains how the Credit Agreement with us has been breached and what happens if you don't fix things.

What this letter means legally

- This letter is also the notice on behalf of your insurer(s). It informs you that your policy (including any inclusive benefits and/or additional products) will be terminated by your insurer(s). This is because there's not an active Direct Debit instruction in place under the related Credit Agreement.
- Breaching the Credit Agreement terms is a breach of the policy terms (under condition 4A) and can result in cancellation of the policy under 'Your insurer's right to cancel your policy' in the 'Cancellations' section of your policy booklet.
- As mentioned above, the insurer(s) will terminate your policy (acting through us) on 25th August 2024 unless you set up a new Direct Debit instruction before then. If you set up a new Direct Debit instruction by 25th August 2024, this notice will be cancelled and your policy will remain in place.

Features of products

- 90 days of EU cover
- Replacement car
- 24/7 claims helpline
- 5 year guaranteed repairs
- Windscreen cover
- Vandalism promise
- Uninsured driver promise

Things you can do in MyAccount

If you didn't want to renew

Contact us within 14 days of your renewal and you won't be charged a cancellation fee. As you were covered by our policy, we'll charge for the time you were with us, as well as an arrangement fee.

Default Notice

Important - you should read this carefully

This is a Default Notice served under section 87 (1) of the Consumer Credit Act 1974

In respect of Credit Agreement reference number 20000934239 between you Mr James Gzowski of 57 Britten Road, Swindon, SN25 2HQ (the "Agreement") and Hastings Insurance Services Limited of Conquest House, Collington Avenue, Bexhill-on-Sea, East Sussex TN39 3LW (the "Company").

Date of issue:	1st August 2024
Name:	Mr James Gzowski
Insurance Policy Number:	20000934239
Address:	57 Britten Road, Swindon, SN25 2HQ

Nature of Breaches:

We are sending you this Notice because you have breached condition 9 of the Agreement that requires you to give us at least seven (7) days' notice if the account from which Direct Debit payments are made is changed and/or have an active Direct Debit instruction in place for repayment at all times.

Action required to remedy:

To remedy the breach you must set up a valid Direct Debit with your bank or building society to honour payments against this agreement by 25th August 2024 (remedy Payment Date").

If the action required by this notice is taken **before the date shown**, the action below will not be taken in respect of the breach.

If you do **not** take the action required by this notice **before the date shown** then the further action set out below may be taken against you.

Further Action:

The further action we may take by reason of the breach of the Agreement is:

- a) termination of the Agreement by written notice on or after the Remedy Payment Date shown above;
- b) cancellation of the Insurance Policy noted above on behalf of your insurer(s) and linked to the Agreement, as well as any inclusive benefits and/or additional products
- c) referral to a Debt Collection Agency and application of fees incurred to the amount payable by you; and
- d) registration of a Default on your credit file.

Help and Advice:

If you are not sure what to do, you should get help as soon as possible. The Government's Money Advice Service can help you find free debt advice and support, or you can contact the organisations listed in the Financial Conduct Authority's information sheet, which is provided alongside this letter. This information sheet also contains important information about your rights. If it is not included, you should contact us to get one.

If you have difficulty in paying any sum owed under this Agreement, you can apply to the court for an order to give you more time pay any sum owed or take any other action required by this notice. The free advice services referred to in this notice and in the Financial Conduct Authority's information sheet can help you explore this option.

Driving other cars:

*In this case, you'll be covered for third party risks only. This cover doesn't include damage to the vehicle you're driving. The driving other cars benefit ceases when the policy expires (on the date in number 4 above) or is cancelled.

This certificate is for the vehicle listed only and is non-transferable.

If the vehicle is sold or given to someone else, the new owner must get a certificate in their name. If you change the vehicle on this policy or get an additional vehicle, you must get a certificate for the new vehicle. Until you do so your insurance won't be valid for that vehicle.

Note for third parties

Nothing in this certificate affects your right to make a claim as a third party.
